

Rules of using room 1.5 designated for exams,  
binding from 1 October 2020, implemented in relation to Regulation No. 104/2020  
of the WUT Rector of 30 September 2020

1. The room may be entered only by a healthy person, without symptoms suggesting an infectious disease. It may not be entered by students, teachers or other employees, who are ill or stay in the house with a person undergoing quarantine or home isolation, or are in quarantine or home isolation themselves.
2. One may not bring any unnecessary objects into the room.
3. It is advised to use mobile phone only in a situation of threat.
4. The room is opened in accordance with the scheduled exams by a member of the Institute of Machine Design Fundamentals Office.
5. In the room there may be a maximum of **5** people at the same time.
6. Everyone entering the room is obliged to disinfect their hands with a disinfectant available by the entrance.
7. Everyone entering the room is to wear a face mask and disposable gloves – available by the entrance to the room.
8. Everyone, if possible, uses their own supplies/devices necessary to efficiently and effectively conduct exam. It is necessary to disinfect objects which are commonly used, unless they are disposable. It is forbidden to lend objects to other people in the room.
9. People in the room are to take available seats.
10. It is forbidden to move, relocate or change in any way the position of the furniture in the room, especially chairs and armchairs.
11. One may be present in the room for up to 120 min.
12. The break between one group leaves and another enters the room must be at least 30 min.
13. During the break the room shall be ventilated, tables and chairs shall be disinfected.
14. In case of deterioration of health condition of people staying in the room, a member of the Institute of Machine Design Fundamentals Office staff on call must be notified immediately.
15. In case of a suspected infection of a person staying in the building of WUT Faculty of Automotive and Construction Machinery Engineering, until medical and sanitary-epidemiological services take appropriate actions, room 3.5 is designated as an isolation room, in which one must abide by the rules of using room 3.5.
16. A person leaving the room may dispose of the face mask, gloves and plastic bag into a container by the exit of the room.
